how to talk so children will listen Teaching Children

As children get older, we can teach them mindfulness skills so that they too can learn how to communicate clearly, helping them feel that they are heard and understood. Perhaps we can consider that by being clearer in our communication then our children are really teaching us to be mindful. Both adult and child are experiencing a useful lesson.

How to Talk So Kids Will Listen Listen So Kids Will Talk

It focuses on communication between parents and children, something that is so essential to your relationship. The whole book is great, but I particularly like the cartoons which show you two alternative approaches to a conversation, one where parent and child are talking at each other and end up at odds, and the other where they are listening and responding and end up on the same side. Check out the 'turtle' cartoon - it's priceless.
