How to Write a Good Book on Any Subject with Examples

Write down your idea. You also need to write down your goal for it and a few things about what you want it to do. How long do you want it to be? How long is each chapter? What names for characters will you be using? Who will be reading it? Will you have chapters? What genre is it? Will it be told from a character's point of view, or from the view of the author? There are lots of things that factor into your final story.
