Write the book. Don't worry about a title, table of contents, or any of the other stylistic elements of the book yet. Just sit down and start writing it. You may find it's easier to start in the middle by writing a chapter of your choice first; you may prefer to start at the very beginning and write straight through. Just remember that you don't have to pick one method and stick with it. Use whatever techniques you need to complete the book.
