Should You Earn a Human Resources Degree ThoughtCo

A human resources degree is an academic degree that is awarded to students who have completed a college, university, or business school program with a focus on human resources or human resources management. In business, human resources refer to human capital - in other words, the employees who work for the business. A company's human resources department oversees almost everything related to employees from recruitment, hiring, and training to employee motivation, retention, and benefits.
