### **List of books and articles about Human Resource Management**

Human resource management (HRM) is defined as the process of managing people in organisations. HRM includes hiring people, retention of people, pay and perks setting, as well as management and performance management. This is the reason why HR managers in some multinational companies are called People Managers or People Enablers and the process is called people management. The HR expert manages the relationship between fulfilling employee expectations and achieving the management purposes.

### **Human Resources Books Goodreads Share book**

Human resources are the people who make up the workforce of an organization, business sector, or economy. "Human capital" is sometimes used synonymously with "human resources", although human capital typically refers to a more narrow view (i.e., the knowledge the individuals embody and economic growth). Likewise, other terms sometimes used include "manpower", "talent", "labour", "personnel", or simply "people".
