The Hunchback of Notre Dame Audiobook by Victor Hugo

Hunchback of Notre Dame speaks for itself as superbly haunting story of man's cruelty and obsession. However, I really want to emphasize how excellent this narration is in capturing the subtly and uniqueness of all the characters. If you are looking for this story as an audio book, this is undoubtedly the version to get.

The Hunchback of Notre Dame Naxos AudioBooks

Yet, set against the massive background of Notre Dame de Paris and interwoven with the sacred and secular life of medieval France, it takes on a larger perspective. The characters come to life: the poet Gringoire, the tormented priest Claude Frollo, the fun-loving captain Phoebus and above all Quasimodo and Esmeralda themselves. It is a tale peppered with humour but fuelled by the anguish which unfolds beneath the bells of the great cathedral of Paris.

The Hunchback of Notre Dame Audible Audiobook amazon com

"The Hunchback of Notre Dame remains a classic for good reason. The many concurrent themes of good vs. evil, appearance and reality, the hypocrisy of the social order and political hierarchy, and the power of the human spirit converge in the story of Quasimodo and Esmeralda. For those who have not read the book, I highly recommend it. This book is a wonderfully readable 19th century novel with immortal characters and a bittersweet plot line.
