### **How hard is HL math in the International Baccalaureate IB**

In my own personal opinion, unless you have a really really strong interest in maths, IB higher level maths is not worth the time you need to invest, especially when you have 5 other demanding subjects. Subjects like HL English and HL geography or even HL history are far less demanding than what HL maths requires. And as much as I want to write a 'feel-good' answer, this is still the truth I
