Icing on the Lake officially has my business for everything, always. We had our wedding and reception on Friday, 6/29/18 and ordered cupcakes (vanilla/vanilla, almond raspberry, salted caramel, chocolate PB and carrot cake) and a two-tiered cake (vanilla/vanilla).

Icing on the Lake by Catherine Clark Goodreads

Icing on the Lake was much better than Better Latte than never. I liked the characters much better and felt as though I was connected with the male interests more. I was rooting for Conner and the book was pretty predictable but I was in the mood for it.

Best Bakery in Erie Review of Icing On The Lake Erie

I've traveled to many of Erie's bakeries in search of some great sweet food, but by far Icing on the Lake is the best I've had. We arrived close to closing time, so there was a limited selection but what we were able to get was absolutely fantastic. The cake pops and chocolate cheesecake on a stick are to die for. The cupcakes are also fantastic, with so many varied and delicious flavors. The prices are a little high, but the quality of the product is unmatched.
