Imperfect Justice Prosecuting Casey Anthony by Jeff Ashton

Quotes from Imperfect Justice As I look back on it, I understand that the jury was sequestered and it was a long trial, but they were a rather high-maintenance bunch. There seemed to be a lot of thought and discussion about what entertainment they wanted, which movies they wanted to watch, and which restaurants they wanted to go to.

Imperfect Justice grabbed me from the first page and I was hooked until the last one. I thoroughly enjoyed it! Imperfect Justice Audiobook by Jeff Ashton Audible com

My disappointment in our justice system is in the fact that Jose Baez can get up there and brazenly lie about the facts of the case, then not support his lies AT ALL with any testimony what so ever. But his so doing caused enough confusion for the jury that they felt they could not make a decision. I thought a trial was an effort to find the truth, not an effort to confuse with lies and deceit presented as facts.
