In God We Trust Book JD Martin

In God We Trust delves deeply into current economic and market developments and reflects on how U.S. prosperity has returned in 2018, as capitalism has again been unleashed. The author says, What a relief after eight years of economic stagnation and government over-regulation. Oddly, as the U.S. economy has benefited from pro-growth policies, like tax rate cuts and deregulation, there exists a rising tide of sympathy for socialism among leftist politicians and young people.
