In His Image by Paul W Brand Goodreads Share book

Dr. Brand devoted almost all of his long medical career to treating lepers, first at a mission hospital in India, and later in Louisiana. Although it is co-written, "In His Image" is written in the first-person, from Dr. Brand's perspective. If you read this book, you might find yourself in awe of your own body.

I found In His Image and Fearfully and Wonderfully Made wonderful companion books. These books compare the human body to the Body of Christ, the Church, in wonderfully creative ways. This is especially interesting since it is written by a physician, Dr Paul Brand. The stories are captivating. A must read, especially for me.
