### **In the Hall of the Dragon King by Stephen R Lawhead**

In the Hall of the Dragon king is one of the very best books ever. It has everything I could possibly hope for in a story: adventure, battles, great characters, quests, a bit of romance, and a grand plot. And it's medieval fantasy. And it's just plain awesomeness. In other words: I LOVE THIS BOOK.

My first video. I think the music REALLY went well with the opening. The ending drags on a bit, so after the title shows up its over. Enjoy.
