Marinating the chicken will deepen the flavour of the jerk spices into the meat. Here is the recipe for the Jerk Marinade. Use a wire rack on top of the baking sheet if you have it as it helps in the cooking process and prevents the bottom of the chicken to burn on the baking sheet. Bake the chicken in a 375F oven until the chicken is cooked through and the internal temperature of the meat reads 165F.

I used habenero and, while I like spicy food, this was insanely hot. I made it for a guest and we were literally

sweating eating it. I poured lime juice over the chicken, then slathered it with the jerk paste. The recipe said "remove from marinade" so I removed it from the lime juice but left on the jerk paste.
