### **Jane Austen Books in Custom Jackets Juniper Books**

It's hard to say what Jane Austen would think of our world today, one so different from her own. But we think it's safe to assume that she would like to have her books presented like this, in elegant custom jackets modeled after intricate 19th century leather bindings. These sets of Austen's complete works are published by Everyman's Library.

### **Jane Austen The Complete Works 7 Book Boxed Set Classics**

This book seems to be someone's summarized version of Jane Austen's work. Each chapter appears to be shorter and has lost a lot of the descriptive language and detail from the original book. The cover is very pixelated, the text is probably a 12 or 14 point font that looks like something I can print from home.
