Janson's History of Art The Western Tradition Books a

The History of Art, said Janson, was not just a stringing together of historically significant objects, but the writing of a story about their interconnections, a history of styles and of stylistic change. Janson s text focused on the visual and technical characteristics of the objects he discussed, often in extraordinarily eloquent language. Janson sHistory of Art helped to establish the canon of art history for many generations of scholars.

History of art Wikipedia

The history of art focuses on objects made by humans in visual form for aesthetic purposes. Visual art can be classified in diverse ways, such as separating fine arts from applied arts; inclusively focusing on human creativity; or focusing on different media such as architecture, sculpture, painting, film, photography, and graphic arts.
