Joan of Arc Amazon co uk Helen Castor 9780571284634 Books

I really enjoyed this biography of Joan of Arc, though I felt there aspects missing which is why I didn't give it five stars, for instance the many rescue attempts made to save The Maid. I don't think she was totally abandoned and forgotten by all those who had supported her.

SparkNotes Joan of Arc Brief Overview

Joan was so popular and such a valuable symbol to the pro-Charles side (the Armagnacs) that the English and Burgundians knew killing her immediately would cause an outrage and create a martyr. Instead, they enlisted the church to discredit her first.
