Dark Night of the Soul Wikipedia

St. John does not actually use the term "dark night of the soul", but only "dark night" ("noche oscura"). There are several steps in this night, which are related in successive stanzas of the poem. The thesis of the poem is the joyful experience of being guided to God. The only light in this dark night is that which burns in the soul.

The Dark Night of the Soul St John of the Cross Free

St. John of the Cross (San Juan de la Cruz) was a Carmelite monk. He was a friend of St. Teresa of Avila, although they seldom met face to face; and like her, he was dedicated to bringing back the more rigorous old Carmelite rule for those who wished to follow it. His difficulties were even greater than hers, however, as at one point he was actually captured and imprisoned by some of his Carmelite brothers who didn't like his ideas.
