RELATED BOOK :

Joy The Summer Vacation Fairy by Daisy Meadows

I REALLY LOVED this book. It is not at all like the other ones because it is a special edition. Joy The Summer Vacation Fairy is awesome for reading in the summer, because it is about Joy the summer vacation fairy. This book is better for kids who can read 200 page books. If you don't read books with that many pages then read one of the Rainbow magic fairys and the weather fairys.
