I had never read the Junie B Jones series, this was great! It was entertaining and an easy read. Junie B is told from a boy at school that there is a monster under her bed, and she spends the whole book worried and trying to get rid of the monster. In the end she uses her silly school pictures to scare away the "monster." She is a wonderful character full of life and silly little sayings. This would be a great read for students on their own or a read aloud for class.
