### **Junie B Jones and the Stupid Smelly Bus Junie B Jones**

I think 1st and 2nd graders should read the whole book: Junie B. Jones and the stupid smelly bus. Because it is a good book for kids to learn a life long lesson. I like this book because she doesn't want to ride the bus home. Because her friends told her that people would pour chocolate milk on her head .

### **Junie B Jones Series Book Review Common Sense Media**

In the first book, Junie B. Jones and the Stupid Smelly Bus, Junie B. meets a fellow kindergartner and begins referring to him as the boy whom she "could beat up." But in general, kids in the series talk about fighting more than they actually fight.

**Junie B Jones Collection Junie B Jones 1 4 by**

My daughter's first grade teacher loved Junie B. Jones and started off the year reading many of her books. I was all over a cute spunky girl who wore glasses as the main character. That was until I read some of her books.

Besides some humor, I don't find much to love about this girl.
