Seriously Just Go to Sleep by Adam Mansbach Goodreads

Seriously, Just Go to Sleep will definitely hit home for many parents. As I read it, I recalled saying some of the exact words to my son. Yes, it is a picture book, but reading it to a child will not send them into dreamland any faster. In fact, it might make you even more frustrated with the whole process. One thing this tale can do is help any parent see some humor in the situation, and realize they are not alone in their struggles.
