Tintinalli's Emergency Medicine Just the Facts Third

The Tintinalli texts are a wonderful resource for anyone who is studying or working in Emergency Medicine, but the full sized Comprehensive Study Guide is not easily portable and sometimes provides far more detail than is necessary to answer a question. That is where Just The Facts excels. It is an easy to reference, more easily transportable, condensed version of the original that provides all the required information for recognition, diagnosis and treatment in an Emergency Medicine setting.
