King James Version Bible Commentary eBook Dr amazon de

I bought this commentary when, in a sermon by Dr. D. James Kennedy, he asked radio listeners if they were truly reading the Bible every day and studying it, and if they were using a commentary. Well, since he exclusively uses a King James Version Bible for his sermons, I went hunting for a KJV commentary. This commentary is good. The spine is thin and weak, but the content is excellent. And for \$13.00+ for such good study material, it's difficult to complain.
