Dean Koontz Frankenstein Series 5 books Prodigal Son

Dean Koontz is high up on my list of favorite authors. This series, like all the others, is filled with suspense and a lot of thrilling details. But somehow in the midst of it all, he is always able to insert a lovely heart warming romance. Though I buy most of my books from Barnes and Noble, this amazon deal was much to good to pass up. So thanks for the quick delivery and affordable price.
