The Laws of the Spirit World by Khorshed Bhavnagri Muse

I got many such answers from Khorshed Bhavnagri s spiritual book The Laws Of The Spirit World . We don t know what happens after death but it is said that As we sow, so shall we reap . Hence it is necessary to lead a life of honesty and sincerity. It is said that Earth is our temporary home and life after death in the spiritual world is true. The book made me feel how awful we are and how dreadful lives we are spend. We do not tend to help others selflessly.
