

LEAP OF PERCEPTION

RELATED BOOK :

Leap of Perception The Transforming Power of Your Attention

It might have been a giant leap for mankind in 1969 when Neil Armstrong set foot on the moon, but the leap Penney Peirce is talking about in her new book, Leap of Perception, is a giant leap from who we've been to who we're becoming. It is a leap involving the spirit, a leap tied to our personal transformation and the transformation of Earth, a leap that hinges on our ability to shift our attention and our perception. It is a leap from the Information Age to the Intuition Age.
