Learn To Play Ukulele Lesson 1 Will Grove White

The ukulele to get started on is a 'soprano' ukulele, probably the most common size of ukulele. There are a lot of good ukuleles out there, but I would advise you to get one with geared tuning pegs (that stick out of the side of the uke) rather than friction pegs (that come out of the back of the uke) because the geared tuning pegs tend to be better at keeping the strings in tune.
