Buying vs Leasing Semi Trucks Big Rigs HaulHound

Leasing a Big Rig. You can think of leasing a truck like renting an apartment. You do not build equity with your payments, and you do not own the truck at the end of your lease term. You do, however, usually have a buy-out price at the end for which you can purchase the truck outright. This buy-out option is typically a large lump sum payment that is predetermined when you sign your lease agreement.
