The Advantage Why Organizational Health Trumps Everything

The Advantage is another of Patrick Lencioni's business books, yet unlike all others (that I've read) this one is not written as a business novel. Instead it is a bit more like a normal business book but then it summarizes some of the core ideas of Lencioni's earlier books. A good idea, but in practice I didn't like the book much and much prefer the usual format for Lencioni books.
