### **Leon and the Champion Chip by Allen Kurzweil Goodreads**

Leon and the Champion Chip is a delightful tale of a student learning the scientific method via the study of potato chips. It rambles through some unexpected areas in a mildly unpredictable plot for a kids book.

Unfortunately it continues the stereotype that the unlovely can be unlovable in the bully Lumpkin. Overall this is a fine story for it's target demographic with only some potential necessary coaching on the supposed merits of revenge.
