### **Amazon de Kundenrezensionen Les Miserables Complete and**

Les Miserables is precisely the kind of book that I love--assuming that it is pared down considerably. If Hugo had edited a couple hundred pages from it, this book would have been my absolute favorite. But instead, he chose to devote many paragraphs to events that have little significance. They do not add to the "mood" of the book; rather, they detract from it. A sentence in the same place would help considerably, giving mood while not overdoing the reader's brain.

Les Mis rables is set in Paris after the French Revolution. In the sewers and backstreets we encounter the wolf-like tread of crime , and assassination for a few sous is all in a day s work. We weep with the unlucky and heartbroken Fantine, and we exult with the heroic revolutionaries of the barricades; but above all we thrill to the steadfast courage and nobility of the soul of ex-convict Jean Valjean, always in danger from the relentless pursuit of the diabolical Inspector Javert.

### **Les Mis rables Audiobook Victor Hugo Audible com au**

This was my first read of Les Miserables. The unabridged sometimes went deeper into history and side tales than I expected but always came back to add depth to the story. If you don't have the patience for this the abridged may be a better option.
