I first read Letters to a Young Artist in 2013. I had signed up for a college level theatre course at my local high school, and this was one of two books required for the course. Once Smith's book arrived at my house I dived in and did not stop reading until the pages were marked from top to bottom and I had memorized nearly everything that she had said. This is definitely a book for anyone who wants to be or would consider themselves an artist.
