### **Letters to a Young Scientist Amazon de Edward O Wilson**

Dr. Wilson's book is advertised as a collection of letters to encourage and advise young scientists. What I got out of it (as a young scientist) was "be passionate, be antisocial, never take breaks, pick your friends, get really lucky". I was hoping to read this to be inspired to continue my PhD aspirations, it neither hurt nor helped me.

### **Letters to a Young Scientist by Edward O Wilson Times**

Letters to a Young Scientist collates the advice Wilson most hopes to give those starting out in research. If I could put it on one word, the key to bringing young people into science and technology and empowering them and making them really want to find out everything they need to know to achieve - that one word would be proprietorship, he says.
