The Life And Times Of Little Richard by Charles White

Wow, Little Richard is pretty straight forward in this book. I'll write more when I'm finished. An interesting life. The book is written such that the author provides certain details then asks Little Richard, his family members and some people close to him to give personal accounts. It shows a man fighting with duality while sharing vast amounts of energy with his audience. Most of this book was really engaging.

The Life And Times Of Little Richard Charles White Paul

Long before all this LGBT stuff Little Richard was out of the closet and out there in real life laying the ground for everything from 80's glam rock to David Bowie and beyond. The gay community is going to hate what he had to say since he can't decide if he wants to be the king of rock and roll, the queen of rock and roll or an entertaining born again preacher.
