Lincoln novel Wikipedia

The novel's emphasis is on the president's political and personal struggles, and not the battles of the Civil War. Though Lincoln is the focus, the book is never narrated from his point of view (with the exception of several paragraphs describing a dream Lincoln had shortly before his death).

Lincoln by Gore Vidal Goodreads

A Novel Of Abraham Lincoln In his 1984 historical novel "Lincoln", Gore Vidal has written with great insight about our sixteenth president, his cabinet, his family, his enemies, and the Civil War Era. Lengthy though the book is, the writing is crisp and eloquent. It held my attention throughout. The book is part of a series of novels by Vidal exploring the history of the United States.

Lincoln novel The Full Wiki

The novel's emphasis is on the President's political and personal struggles, and not the battles of the Civil War. Though Lincoln is the focus, the book is never narrated from his point of view. However, one gets an insight into his presidency and gets to see just how his mind works. Through thick and thin, Lincoln proves how exceptional he really is and how his death impacted many.
