Frozen Little Golden Book by Victoria Saxon 2013 10 06

My daughter will like this book but the quality of the book is not great at all. Cheap pressing and very thin pages. Not the quality I would expect from Little Golden books.

Frozen by Victoria Saxon Goodreads Share book

The Little Golden Book's telling of Frozen is a fantastic summation of the movie's plot. With only one minor deviation from the plot of the movie that I noticed, it is faithful to the movie and hits all of the major points of the plot in a condensed but entertaining way, and the artwork is great, as well.
