The Long Walk by Richard Bachman Goodreads

If this book does not make you feel physical pain, I don't know what will. This isn't a book about killer clowns or haunted hotels. It's not a Hunger Games type of book, despite the "game show" element of the Long Walk, nor is it a world attached to any tower, Dark or not.

THE LONG WALK by Slavomir Rawicz Barnes Noble

Before reading The Long Walk, I used to hate reading non-fiction books, but I loved The Long Walk! This story will give any person who reads it a little history lesson about how harsh the soviets were to their prisoners, but the book is told in such a way that it doesn't even seem like a boring story you would read out of a history textbook. This book is full of truth, suspense

What's up with the ending of The Long Walk Quora

I haven't read The Long Walk in a long time, either, but I remember interpreting the ending this way: Garraty had become subsumed by the walk by the time he won it. He could never stop. The rules had become his reality. There was no time before the walk, and the walk would never end. He will keep on walking into death, and maybe even beyond it.
