Lost Treasure of the Emerald Eye by Geronimo Stilton

Earlier this year, I read a Geronimo Stilton book. Unfortunately I didn't like it. It was disappointing because that used to be one of my favorite book series when I was a kid. I decided not to give up on the series though. I wanted to try one more Geronimo Stilton book, Lost Treasure of the Emerald Eye. I'm glad I did. It had everything I loved about the series when I was younger.

Geronimo Stilton Wikipedia

Geronimo Stilton is an Italian children's book series published by Edizioni Piemme of Milan, Italy, since 2000. Although the series credits its title character as the author, the idea was originally thought of by Elisabetta Dami. On older novels, the copyright is issued to a pseudonym "Geronimo Stilton"; this was changed on newer books. The books are intended for readers in the 6-12-year-old age range.
