### **The Magic of Believing by Claude M Bristol Goodreads**

"The Magic of Believing" certainly had big shoes to fill after such a promise. Written in the vein of The Secret and other such books about attracting metaphysical powers to get what you want out of life, this book is definitely different because it is written based on the direct experience of the author and those around him.

### **The Magic of Believing Claude Bristol Tom Butler Bowdon**

You may not love reading this book, but just having it around could serve as a valuable reminder of the power of

belief. It may also be difficult to stomach some of this 'mind stuff' as the author calls it. He himself was sceptical, but then realised that we all summon the magic of believing when we desperately want something to come into being.
