The Magic of Reality How we know what's really true

This book provides simple and understandable explanations to many important topics, (stupendously) big and (very very very) small. I have started translating it to my 5-year old and even he enjoys it.

The Magic of Reality is a solid fee This is his first attempt at a children's book (or rather a 'family' book as it is aimed at a wider readership) and it has much to praise. The Magic of Reality is a solid feeling hardback, half way between an ordinary non-fiction book and a coffee table book in format.
