Sunset of the Sabertooth by Mary Pope Osborne Goodreads

This was a good book. I recommend this book to elementary kids and for all genders. This book isn't a chick-flick and is an easy read. There were two kids in this book, their names were Jack and Annie. Their tree house was a magic tree house. The tree house took them back to the Ice Ages. They had to find something that started with a M . The thing they found that started with a M was mammoth.
