### **How to Make Healthy Homemade Soda Fix com**

When you make your own soda, you have complete control of what will eventually go into your body. You can control the amount of sugar (yes, there is still sugar in homemade soda, as you will see below) that goes into each batch. And the sky s the limit when it comes to which natural ingredients you choose to create your own recipe. Bottling your own soda is also better for the environment, since you can reuse the same bottles for each batch you make.
