### **Man on the Moon by Simon Bartram Goodreads**

Since man has been on the moon the idea that Bob goes there in a space shuttle is feasible even though it is also unlikely. The premise that Bob is the Man on the Moon and he travels to the moon each day for work is an imaginative storyline but I didn't think the book went anywhere.

### **A Man on the Moon by Andrew Chaikin Goodreads**

Yet the Americans landed a man on the Moon, which the Soviets tried and failed to do. The project used machines more complicated than a Yamato class battleship. The Apollo project was the culmination of the Soviet-American space race, the magnificently mad endeavor with no purpose other than national prestige, a twentieth century equivalent of the Great Sphinx of Giza.
