What is management definition and meaning

According to the management guru Peter Drucker (1909-2005), the basic task of management includes both marketing and innovation. Practice of modern management originates from the 16th century study of low-efficiency and failures of certain enterprises, conducted by the English statesman Sir Thomas More (1478-1535).

The Practice of Management Amazon de Peter F Drucker

Definitely worth reading if you are interested in management. Yet there are some ideas in the book I personally do not agree with such as: you are born with a talent, if you are not good at something you shouldn't force it.
