Matched drew me in with it's unique summary and beautiful cover, unfortunately that is where my fascination ended. I wanted to like this book. actually I wanted to love it, but I didn't. I had a very hard time getting though this novel. I even had to take a break from it completely, and I only kept reading because of the encouragement from others that had read it, insisting that it would get better. It didn't get a whole lot better for me.
