### **Math is from the devil Abundant Life**

I was always pretty good at math. That is, until my freshman year of High School. It was a tough year for me when it came to math. I had always got A's in math, but this year would be different. I stayed after school almost every day to get help with the homework and I

### **The Number Devil A Mathematical Adventure Goodreads**

I love the idea of a novel that relies on and promotes interest in math, but the execution here just fell way short for me. The story itself - that a boy who hates math learns to like it through a series of dreams in which he interacts with a Number Devil - is a little thin and repetitive.
