### **Medieval Europe A Short History Amazon de Judith**

Assigned for a Medieval Europe class. Captures all the major themes/tensions, and its a good summary of Europe in the Middle Ages. I would recommend this book to anyone interested in reading about Medieval Europe. Naturally there are plenty of pieces which could use more elaboration or more detail, but this book does it all in about 300 pages.

### **Medieval Europe A Short History C Warren Hollister**

From "A Short History," I'd suggest proceeding with Cantor's "Civilization of the Middle Ages" and to the essays in the "Oxford Illustrated History of Medieval Europe." After that, the door should be wide open to an investigation of whatever detailed aspect of the period a reader might want to pursue.
