Flakhelfer to Grenadier Memoir of a Boy Soldier 1943

Written from memory and his diary, Dr. Schlesier's detailed account of being a boy soldier made me feel I was walking the journey with him. From being taken from home at age 15 to his capture by an American Indian you can see the shaping of his life. The librarian who kept him supplied with books and him being allowed to keep a pencil so he could write poetry during his interment were very significant.

Flakhelfer to Grenadier Memoir of a Boy Soldier 1943

As a boy, he fights to protect his city from the British and American bombers. He can clearly see Germany is losing the war and ask himself why are some many cities being destroyed and civilians being killed because of it. In the end he is captured as an infantry soldier and is able to return home to see his family. His diary records all these events which he was able to use in writing his book. I highly recommend it to see how desperate Germany was in finding man power and using boy soldiers.

A Long Way Gone Memoirs of a Boy Soldier Ishmael Beah

In A Long Way Gone, Beah, now twenty-five years old, tells a riveting story: how at the age of twelve, he fled attacking rebels and wandered a land rendered unrecognizable by violence. By thirteen, he'd been picked up by the government army, and Beah, at heart a gentle boy, found that he was capable of truly terrible acts.
