

MIDDLE EASTERN COOKBOOK

RELATED BOOK :

The Middle Eastern Vegetarian Cookbook Amazon de Salma

I ordered another Middle Eastern Cookbook, The New Persian Kitchen which I would rate just OK. I will probably donate it to the library. This book had lots of meat recipes which are OK and you can substitute legumes, but not enough pictures so it was hard to visualize the dishes. As a newbie to Middle Eastern food I needed more of an explanation with pictures to make me curious to try the food.
