

## [MODOC THE TRUE STORY OF THE GREATEST ELEPHANT](#)

## RELATED BOOK :

### **Modoc The True Story of the Greatest Elephant That Ever**

I gave this book one star because Mr. Helfer has passed it off as a true story, when clearly, it is not. Apparently, there was indeed an elephant named Modoc there were six documented with that name, in fact. Yet, any reader with a critical eye can see that this is a tale of pure fantasy, with only the most distant connection to truth.

### **Amazon com Customer reviews Modoc The True Story of the**

I truly felt ripped off because the review of this book clearly states "a true story" not based on a true story. I would not read another book by this author. I only give it 2 stars because I read it cover to cover. But I feel there are better sources out there that are true accounts of the behaviors of elephants that I would rather spend my time reading.

### **Homemade Cottleston Pie Ethical Fiction or Fictional Ethics**

Sure, the elephant in the pictures may, perhaps, be a younger elephant, hence the smallish size, but Modoc would have been a full-grown elephant by the time she was performing in the North Circus. The final tip off that this story wasn't as true as it was being advertised was a moment in the story that dug deeeeeeeep into my memories and rang a tiny little bell of recognition.
